For Another's Sin.

Sir Mortimer Barbican was an old man, one of the old types of English aristocracy, firey, imperious, and inordinately proud of the intogrity of his name and ancestry,
At the time I wout into his employ, years

ago now, he was flying alone with his only daughter at his family sent in Glouge

A strange looking, tall indy was Miss Linda Barblence with inere black eyes and pale.

fareform with inrge black eyes and pale, hard set leatures, bearing the traces of some inward serrow.

Sir Mortiner, I learned, had a son, whom he had dishinkerized and discovered, outing to some net which had brought dishoner on the units of hardrand, and he formed all repairs of the former of suppressed rage in his voice, "it is you, you of and formed eyen of the former. I was summoned to the door by been there, I was summoned to the door by the former of the former of the former of the former. I was summoned to the door by the former of th whom he had disinherited and disowned, ow-ing to some net which had brought dishonor on the arms of Parbians, and he formed all mention of the a spectrace of the family. One exeming some few months after I had One excining, some few months after I had been there, I was summoned to the door by the outliness clausing of the 'roat door boil. A young man shaderly dressed, with a rockless should handsome fines, stood on the doorstep and semined me nervously as I looked questionly at him.

"Is my is Sir Mortimer Barbican disengaged" he said huskily.

"To, sir," I answered. "Will you please come in?"

come in?"
"Is there anyone in the Hbrary?"

when could not be denied.

He believed materialism to be but another name for spiritualism, for behind the atom of matter mind could not penetrate and ultimately you know no more about it than you do about spiritualism. Whether spiritualism be subjective or objective, it is quite as datural to suppose it to be just what it purports to be.

The Johnston Co.-Java and Mocha Cofports to be.

The first champion of the negative side of the question was James Hogerty, who set out to dissuade his friend of his felly, ridecing the mediums. He intimated that many who fee, 80c. pound; Best Mixed Tea, 50c. pound. Rebecca Teapots given away. Dyrenforth's-Suits and Overcoats at the m-diums. He infimated that many who sought to conduct seamers were crazy, and laughed away the idea of some supernational power by explaining our inatellity to discover it either by chemical or mechanical means. Then Mr. Hegerty denounced the teachings of spiritual affinity, and said the preaching of these doctrines had served to break up families, sever hurband from wife, and load

families, sever hurband from wife, and load young girls astray.

Several of the devotees of the cause of the unseen hitched about uneasily in their chairs, and looked darkly at the speaker. He did not flinch, however, but continued demouncing everything as a traid and a delusion.

One or two men were on their feet the instant he fluished and assailed the unterances of the gentleman as the bigoted opinions of forty or fifty years ago.

A haly arose to densunce some features of the speech and inquired if the gentleman believed that certain Congressmen or others in the city were spiritualists, inasmuch as they had manifested the opportunity to which be alluded.

he alluded.

A gentleman, "who wanted to believe in spiritualism," but as yet had not been furnished sufficient proofs, related his experience, and then a collection was taken.

Gustavus Augustias, the gentleman who presented a petition to Commissioner of Labor Wright in behalf of the Decs movement in Chicago process and rave his experiences in and scrape off all the red pulp till the portion for twenty-four hours, rinse and weigh, Add vinegar enough to cover and half a pound of Chicago, arose and gave his experiences seeing the faces of persons far away from him

seeing the faces of persons far away from him at the time.

Mr. Pechim was allowed a few moments to close the debate and answer the assissations of his opponent. He commended the teach-ings which should allow love to seek its of winder cloves, cinnamon, and onless can of winder cloves, cinnamon, and cassia buds. Cook till the meson is clear and tender enough to be easily plerest by a brown straw. The spices need only be added a few minutes before the pickles are to be taken from the fire. proper object of affection, and advocated a greater freedom of the marital band, whereby, he claimed, good behavior would be pro-

I hastened to open the door for him. As he was passing out into the night he turned. "You are a stranger to me," he said, after a brief space, "but your face looks an hon-est one. If you can contrive it, meet me to-"O! Never mind the name. He'll know me fast enough," he added, nitterly. Sir Mortimor looked up in a surprised way when I communicated to him that a visitor had arrived and wished to see him.

He opened the door and strode inside the voice. morrow, about this time, at the drive gate.
It is a matter of life and death."
The next morning after breakfast, Sir Mor-

timer turned to me and said in his crisp, curt "If you value your situation here, Parkin, you will bear this in mind. Not a word of what you saw and beard last night, and never mention my—my son's name to me again under pain of instant dismissal. That

TURNED OUT ALL RIGHT.

Although at One Time Mr. Conway Thought He Must Die.

Testimony of a Washington Man Who Was Strangely Relieved of His Troubles.

"About a year and a half ago," writes C. D. Conway, esq., of Parkersburg, W. Va., "I began to suffer from a combination of allments that finally set-

tled on my lungs. Chills and fever, loss of appe-tite, and loss of sleep from continued cough-ing, night sweats and hemorrhage of the lungs—these were the symptoms that scared hemorrhage of the lungs—these were the symptoms that seared me and made me understand that I was suffering from con-sumption. I consulted hysicians, traveled a good deal, but in spite

instances by the powerful but of treatment employed by Dr. R. A. Waiker.
The following is from a citizen

of Washington and speaks for itself:

or Washington and speaks for itself:

I, J. F. Monroe, do hereby certify that I have been under the treatment of Dr. R. A. Walker for four weeks for nervous debility and general weakness of the system brought on by a shock in an accident with a runaway team. When I first began Dr. Walker's treatment I was utterly mable to work. I am now entirely recovered so far as I can see, I am as arong and surple as I ever was and all am as atrong and supple as I ever was and all my troubles have disappeared. J. F. Moraos.

J. F. MONROE.

Disorders of the brain and nervous system and wasting or long standing diseases of any kind affecting any of the organs of the body are safely and permanently cured by Dr. Walker's treatment. Many men are sufferers from nervous debility, impaired memory, low spirits, irritable temper, and the various derangements of mind and body that result from unpalling descriptions habits, evertaged in rangements of mini again only that Peson i rom unnatural, pernicions habins contracted in youth or from later excesses, culminating in a loss of manily power, wrested constitutions, and not introquently in softening of the train, optiopsy, paralysis, and even insanity. To reach and reclaim such sufferers is one of Dr. Walter's arms and he has been the means of reaching branches, of them tabusity and her restoring bundreds of them to health and han-

Dr. Walker is permanently located at 1411 Pennsylvania avenue, adjoining Willard's Hotel, where he may be consulted either per-consily or by letter. Office hours, 10 a. h. to 604 Twelfih street north-sest.

> Casting one look of concentrated hate and anguish on the wretched girl at his feet, he brushed her tranblingly aside and knelt down mounting to himself beside the body of his

overcome with remorse I determined to seek an audience with my father and warn him of his danger. The result of that interview you know—" and here he broke off abruptly, a queer break in his voice.

I will pass over the rest of our conversation and merely state the plan which the remorse-stricken man had formed to checkmate the robbers.

I must explain that at the back of the house was a courtyard, shut in on three sides by the courty was a courtyard, shut in on three sides by was a courtyard, shut in on three sides by the courty was a courtyard, shut in on three sides by was a courtyard, shut in on three sides by the courty was a courtyard, shut in on three sides by the courty was a courty w lifeless son, Mr. Geoffrey did not die. His father had

Then he found this tomagne.

"So it is you, you nound?" he said, his features working strangely, while there was an enternace at the back."

Then he found this tomagne.

"So it is you, you nound?" he said, his features working strangely, while there was an enternace at the back."

Now my master's bedroom was at the extended on the distillation of the pantry, which was to contempt the date and interest the sound conduct them through the window, and then, white the window at the other work of suppressed rage in his voice, "it's vou, is if's flave you forgotten how we parted; all there you off and forbade you there will not suppressed the policy of the policy of the policy while was to contempt the date of the policy of the policy while was to contempt the date of the policy of

burglars should arrive. I had not long to wait.

I heard the muffled sound which warned in that they had commenced operations, and slipping away as noiselesly as I had come I Geoffrey apart from the other two, pallid and

The other two did not wait for more, but with incredible switness darted through the pantry and, locking the door behind them, made good their escape.

And then a white-robed figure appeared at the open kitchen door and gazed wildly shout her.
